Statement

(Last Name)	**(First Name)**	**(Date of Birth)**	**(Matriculation Number)**

I hereby declare that I have completed this paper or coursework on the **subject**

(Topic or title of paper or coursework)

indepedently, without unauthorized help and only using the indicated resources.

I have indicated all passages taken in spirit or directly from publications or other external statements.

I am aware that in the case of cheating, I lose the right to obtain a certificate of achievement in the **course**

(Title of course)

Addition to the use of AI-supported tools:

One of the two options must be selected in consultation between the examiner and the examinee.

☐ **Option 1: No use of generative AI**

I certify that I did not use generative AI for this work at any time, neither in the process of working on the project nor in the writing process.

☐ Option 2: Authorized use of AI-supported tools with mandatory labeling

I affirm that in my use of generative AI:

- I have only used it as an aid and that my creative influence predominates this work;
- I have attached a reflection on my work with generative AI to this document, which names all generative AI tools used, states the purpose of each use and in which I reflect on my work with generative AI.

I am aware that the use of texts or content created using generative AI does not guarantee their quality and that I am responsible if the use of such tools results in incorrect content, violations of data protection law, copyright law or scientific misconduct (e.g. plagiarism).

Furthermore, I declare that I have not submitted this paper or coursework in this or a slightly modified form in any other course for the purpose of obtaining a certificate of achievement.
