1. I hereby declare that I have written this work myself and have not used any sources or resources other than those stated. I have identified any kind of content such as texts, ideas, concepts, graphics, audiovisual material, etc. taken directly or indirectly from external sources as such and have provided complete references to the respective sources.

2. Use of generative AI:

I am aware that the use of any kind of content created by means of generative AI does not guarantee its quality and that I am responsible if the use of such tools results in incorrect content, violations of data protection law, copyright law or academic misconduct (e.g. plagiarism).

I also confirm that:

- I have used generative AI tools as an aid only and that my creative influence significantly predominates in the present work,
- that I have indicated in the appendix "Reflection on the writing process" which generative AI tools I have used, for what purpose and to what extent,
- that I have used only those tools and resources described in the appendix "Reflection on the writing process" and have used them in their permitted functions only; such use was explicitly permitted by the examiner(s) or the examinations office.

3. This work has not been submitted in the same or a similar form to any other examination authority in Germany or abroad.

4. I am aware that a violation of the above points may have consequences under exam law and, in particular, may result in the assessed work being graded as "fail" or the coursework being graded as "failed" and, in the event of multiple or serious attempts at cheating, may result in termination of my enrollment or the initiation of proceedings for the withdrawal of any academic title awarded.
