Center for Frankophone Worlds

« ...because language belongs to those who make it their own»

Wilfried N'Sondé

www.uni-tuebingen.de/zfw

Fields of activities

- **Promotion** of research and teaching on francophone worlds at the University of Tübingen
- **Interdisciplinary networking** of researchers and students with a Francophone background
- **Intensification** of international cooperation
- **Disseminating research results** to the public
- **Advice on student exchange** and research cooperation (e.g. German-French double degree programs, collèges doctoraux, cotutelle agreements, FRAL)
- **Language courses** in the field of scientific language together with the Foreign Language Center of the University of Tübingen
- **Organization of events** with non-university partners, e.g. with the Franco-German Cultural Institute in Tübingen

Diversity of members

© Fotolia
