Explanation of the intended use of the funds¹

Please note that the maximum funding amount per applicant is €500. Please also ensure that your project complies with the DFG's funding guidelines (see <https://www.dfg.de/de/formulare-2-00-246480>), as these will be used as the basis for deciding whether to approve your application. Please include the relevant supporting documents/cost estimates with your application.

¹ As a rule, only those costs for which a corresponding application has been submitted in advance are eligible for reimbursement. The applicant, who first pays the amounts, subsequently submits an informal statement of the costs incurred and submits this together with the relevant receipts to the TüSE office. Please note that there is a six-month deadline for this.

² If the costs cannot be precisely predicted, please provide an estimated amount.
