Prof. Henriette Müller
New York University Abu Dhabi

Prof. Joyce M Mushaben
Institute for the Study of International Migration

This volume provides the first comprehensive evaluation of the European Commission under President Ursula von der Leyen (2019-2024) from a gender perspective. It will study the Commission's quest for gender+ equality in terms of policies and politics, its exercise of leadership and response to the multiplicity of crises, as well as its impact on the symbolic, descriptive, and substantive representation of women in the European Commission and the Union, more broadly.
