

## International Connecting Week (IC)

With high speed into academic and student life!  
8th - 11th April 2026 *PRELIMINARY PROGRAMME*

### Welcome to Tübingen!

This peer-to-peer advisory course introduces you to student life in Tübingen and provides essential tips for a successful time in Tübingen and at the university.

| Date                           | Location                                               | Event                                                                                                            |
