TÜBINGEN PHD SUMMER SCHOOL ON ARTIFICIAL INTELLIGENCE AND LAW 2025

ABOUT THE SUMMER SCHOOL

The Chair of Law and Artificial Intelligence at the University of Tübingen is hosting its second International PhD Summer School in Artificial Intelligence and EU Law from 12 – 16 May 2025. The Summer School provides a platform for PhD candidates to engage in dynamic discussions and showcase their research. It will take place at Tübingen castle and will feature expert lectures from leading scholars and practitioners, participant presentations, and social events in view of fostering in-depth discussions amongst participants.

The event will be embedded in the lively law and AI communities in Tübingen. Tübingen is home to excellent computer science and law faculties, the newly-founded CZS Institute for Artificial Intelligence and Law as well as the Cluster of Excellence "Machine Learning – New Perspectives for Science," the Tübingen AI Center, the first Chair for Law and Artificial Intelligence in Germany, and the Max Planck Institute for Intelligent Systems, among others.

Travel and accommodation expenses will be covered for all participants.

APPLICATION PROCESS

The deadline for applications is 3 March 2025. Applicants are asked to provide a single PDF file that includes a cover letter (max. 500 words) explaining their motivation, a CV, and an overview of their doctoral dissertation. The cover letter should also mention the specific research project (typically a chapter of their thesis or a related article) that they would share with the other participants and present at the summer school. Upon acceptance, participants are required to submit the mentioned chapter or article, as it will be distributed to other participants in advance for preparation and discussion during the summer school.

Applications should be sent to henrik.nolte@uni-tuebingen.de
