

I can only accredit modules with a focus on economics! Do not fill out for modules that focus on business, finance, statistics, econometrics, psychology...! For all modules that do not have a focus on economics, please contact the appropriate chair directly!

Module Accreditation Request / Anerkennungsantrag

Please fill in Sections A and B completely (Adobe Acrobat Reader works best), save this PDF, and email it as an attachment to Christian.Manger@uni-tuebingen.de. Section C is reserved for me - please leave it blank.

A. Student Information

Full name:

Email address:

Matriculation number:

Program in Tübingen:

If Master/Other selected, specify program:

B. Module Taken Abroad

Country:

University abroad:

Term abroad (e.g., WS 2026/27 or SS 2027):

Module title:

Module level:

Credits for this module at the university abroad:

☐

University abroad uses ECTS

If no ECTS: foreign credits in a normal full-time semester abroad

Syllabus link:

☐ Syllabus attached to the email

Tübingen substitute (check vwl-tuebingen.de)?

Focus area for accreditation of module:

Please indicate all of your 3 focus areas. This helps me to see alternative options if your choice above is not acceptable.

☐ International Economics

☐ Economic History and Economic Development

☐ Firms and Markets

☐ Economic Policy

☐ Elective Studies

☐ Other

If "Other" checked, specify focus area:

☐ I am already back in Tübingen, I already have the official accreditation form (yellow "Laufzettel", only the original is accepted) and need an appointment to receive your signature.

Additional comments:

Send this as attachment via Email to Christian.Manger@uni-tuebingen.de

C. Accreditation Decision - do not fill in

Accredited? ☐ Yes ☐ No

If accredited:

Focus area credited towards:

Home module substituted (leave blank if none):

ECTS credits recognized:

- If not accredited, reason:
- ☐ Module level too low (not sufficiently advanced)
 - ☐ Content not suited for the program

Other reason (specify):

Comments:

Decision date:
