1. I hereby declare that I have written this work myself and have not used any sources or resources other than those stated. I have identified texts, ideas, concepts, graphics, etc. taken directly or indirectly from external sources as such and have provided complete references to the respective sources.

2. If generative AI has been used: I am aware that the use of texts or content created by means of generative AI does not guarantee their quality and that I am responsible if the use of such tools results in incorrect content, violations of data protection law, copyright law or academic misconduct (e.g. plagiarism). As agreed beforehand with the instructor of the course, I also confirm that:

• I have used generative AI tools as an aid only, that my creative influence predominates in the present work and that I take full responsibility for it;

• I have indicated which generative AI tools I have used, for what purpose and to what extent (see Appendix to this form).

3. This work has not been submitted in the same or a similar form to any other examination authority in Germany or abroad.

4. I am aware that a violation of the above points may have consequences under exam law and, in particular, may result in the assessed work being graded as "fail" or the coursework being graded as ‘failed’ and, in the event of multiple or serious attempts at cheating, may result in termination of my enrolment or the initiation of proceedings for the withdrawal of any academic title awarded.

5. I am aware that I must be able to explain, justify and independently defend the arguments, methods, and conclusions presented in my work.
